You are cordially invited to participate in the 10th International Conference on Applied Human Factors and Ergonomics 2019 and the AHFE Conferences, to be held at Washington Hilton, Washington D.C., USA July 24-28, 2019. All distinguished Conferences are maintained jointly under one management and single registration. The conference objective is to provide an international forum for the dissemination and exchange of scientific information on theoretical, generic, and applied areas of human factors and ergonomics. These objectives will be accomplished through the following six main modes of communication: keynote presentation, parallel sessions, demonstration and poster sessions, tutorials, exhibitions, and meetings of special interest groups. The five-day conference will start with tutorials. The tutorials will be held on July 24-25, 2019. Tutorials will be offered at introductory, intermediate, and advanced levels covering the entire spectrum of the conference.

All submitted abstracts will be peer-reviewed by three independent referees from the international program boards. Papers in the theoretical category should deal with models, concepts, and theoretical structures; papers in the generic category should present research on fundamental and applied research. Papers in the applied area should show how the demands of particular application areas shape the way generic research is translated into practical innovation.

**Exhibits**
After 1 December 2018

Invitation to AHFE 2019

Proposals for Participation

Parallel Presentations. An abstract of about 500 words should be submitted through our website (www.ahfe.org) and should include a statement of the research and significance, abstract, target audience, a bio-sketch about the presenter(s) and a statement of the objective and significance of the proposed presentation. All submitted abstracts will be peer-reviewed by three independent referees from the international program boards. Papers in the theoretical category should deal with models, concepts, and theoretical structures; papers in the generic category should present research on fundamental and applied research. Papers in the applied area should show how the demands of particular application areas shape the way generic research is translated into practical innovation.

The tutorials will be held on July 24-25, 2019. Tutorials will be offered at introductory, intermediate, and advanced levels covering the entire spectrum of the conference.

**Proposals for Participation**

**Parallel Presentations.** An abstract of about 500 words should be submitted through our website (www.ahfe.org) and should include a statement of the research and significance, abstract, target audience, a bio-sketch about the presenter(s) and a statement of the objective and significance of the proposed presentation. All submitted abstracts will be peer-reviewed by three independent referees from the international program boards. Papers in the theoretical category should deal with models, concepts, and theoretical structures; papers in the generic category should present research on fundamental and applied research. Papers in the applied area should show how the demands of particular application areas shape the way generic research is translated into practical innovation.

**Tutorials.** An abstract of 300 words should state the objective, content, target audience, a bio-sketch about the presenter(s) and AV requirements. Please submit the abstract through the AHFE 2019 website.

**Poster/Demonstration Sessions.** An abstract of 500 words should be submitted through the website. The abstract should be accompanied by a sketch of the planned presentation. Equipment needed for demonstration is the responsibility of the author.

All submissions must be done through our website: www.ahfe.org

To provide a greater opportunity for more people to present at the Conference, each accepted paper should have a different conference registrant. However, co-authors may appear on multiple papers. For written cancellations received on or before 1 February, 2019, 50% of all registration costs will be refunded. 50% of the registration cost will be refunded if a written cancellation is received between 1 February - March, 2019. After this date submitted papers will be forwarded to the Publisher for inclusion in the Conference Proceedings and no refunds will be made for cancellations received after 1 March, 2019. All refunds are subject to $50 standard card processing fees.

2019

Washington Hilton

AHFE 2019 will be held at the Washington Hilton, Washington D.C., USA. Washington D.C. is a city of outstanding beauty and charm, an international metropolis, a picturesque tourist destination, an unspoiled treasure of the country’s history and art, and a cosmopolitan center that retains a friendly small-town ambiance. Much of the attractiveness of Washington is attributed to the hundreds of outdoor sculptures and monuments that adorn the parks, forests, buildings, and cemeteries of the city. A stay at the Washington Hilton places you in the heart of Washington. It is located minutes from The Philips Collection and close to the White House, Ford’s Theatre and the Lincoln Memorial.

Washington D.C.

Founded on July 16, 1790, Washington D.C. is America’s capital city. It is the home of the three branches of government and hundreds of outdoor sculptures and monuments that adorn the parks, forests, buildings, and cemeteries of the city. A stay at the Washington Hilton places you in the heart of Washington. It is located minutes from The Philips Collection and close to the White House, Ford’s Theatre and the Lincoln Memorial.

10th INTERNATIONAL CONFERENCE ON APPLIED HUMAN FACTORS AND ERGONOMICS

General Program Chair: T. Abram, USA

HUMAN FACTORS IN MANUFACTURING AND LEADERSHIP

Co-Chairs: M. Boocock, New Zealand

M. Ciaramella, Italy

A. Sivula, Finland

A. van der Horst, The Netherlands

HUMAN FACTORS IN INDUSTRY, INNOVATION AND OUTDOOR RECREATION

Co-Chairs: M. Olszewski, Finland

M. Vanhala, Finland

HUMAN FACTORS IN HUMANIZATION, PSYCHOLOGY

Co-Chairs: J. Yang, USA

J. Sinay, Slovak Republic

Z. Roja, Latvia

U. Reischl, USA

G. Paul, Australia

E. Occhipinti, Italy

J. Niu, China

S. Maly, Czech Republic

J. James, South Africa

R. Feyen, USA

M. Boocock, New Zealand

R. Goonetilleke, Chair:

ERGONOMICS

S. Simani, Italy

M. Gibson, USA

S. Ávila Filho, Brazil

HUMAN FACTORS IN HEALTHCARE AND MEDICAL DEVICES

Chair: N. Lightner, USA

H. Zhou, UK

H. Widlroither, Germany

Co-Chairs: M. Ohkura, Japan

R. Mendonca, Brazil

B. Kutryba, Poland

S. Kleefield, USA
